

Advanced school on Mathematical Methods for Physicists

Wednesday, July 8, 2026

Feynman integrals and the method of differential equation (2:15 PM - 3:30 PM)

-Conveners: Narayan Rana

Thursday, July 9, 2026

Feynman integrals and the method of differential equation (9:45 AM - 11:00 AM)

-Conveners: Narayan Rana

Feynman integrals and the method of differential equation (2:15 PM - 3:30 PM)

-Conveners: Narayan Rana

Friday, July 10, 2026

Feynman integrals and the method of differential equation (9:45 AM - 11:00 AM)

-Conveners: Narayan Rana

Feynman integrals and the method of differential equation (2:15 PM - 3:30 PM)

-Conveners: Narayan Rana
